Subject: Amendment of Leonardo Helicopters Supplier Approval

Dear Madam,

Please find enclosed an amended Leonardo Helicopters “STATEMENT OF APPROVAL No. LH/1271” and “Scope of Approval”, incorporating the changes detailed below.

Your amended Approval Scope defines the type and scope of approval for products and/or services you may supply in furtherance of any Leonardo Helicopters contract and supersedes all previous issues.

Your approval as a Supplier to Leonardo Helicopters remains at all times conditional upon your Company’s continued compliance to both Leonardo Helicopters QRS-01 ‘Quality Requirements for a Supplier’ and our Purchase Order requirements. Failure to comply with these requirements will result in the removal of your approval as a supplier to Leonardo Helicopters.

In addition, approval of your Company’s Quality Management System by Leonardo Helicopters SQA shall not relieve your Company of its own responsibility to supply products conforming to the requirements of any Leonardo Helicopters Purchase Order/Contract and/or Agreement.

The changes / extensions in your scope are as follows:

- Extension of Scope of Approval

If any of the details of your Approval are erroneous, please inform *Massimo Cirillo* email: massimo.cirillo@leonardocompany.com as a matter of urgency.

Yours faithfully,
For Leonardo Helicopters

Head of Quality System

Roberto Pias
